The 1st Annual GPUSBC BVL Charity 9 Pin No Tap Tournament was held November 5th at KingPins Bowling Center. We had a great turnout with 71 participants. We raised \$1,017.00 and everyone enjoyed the tournament.

We had two 300 games bowled; one by Andrew Messinger and the other by Ardie Yoke, Ardie bowled a

natural 300 game. First place went to Jesse Rowe.

It is our intention to hold this tournament the first weekend in November each year. We sincerely hope to increase participation next year.

We want to thank everyone for their participation and thank our sponsors: Larry's Pro Shop, The Pro Shoppe, Milwaukie Bowl, Molalla Bowl, Sunset Lanes, Portland Fasteners, Bonnie Howser, Michael DeLomba, and Richard Lorey for helping us make this a successful tournament. Thank you KingPins for hosting our tournament.

**Youth bowlers** are the future for the sport of bowling. Every year thousands of youth throughout the country participate in Junior bowling programs. Most bowling centers in our association have leagues for youth bowlers.

Bowling is a life long activity, you can start as young as 5 and bowl well into your 90's. No other activity has the age range as bowling. No other sport allows

everyone to participate regardless of athletic ability and gives the opportunity to earn scholarship money to all junior participants.

Youth can earn scholarship funds by participating in several tournaments throughout the state as well as the nation

GPUSBC and OSUSBC have scholarships available for youth bowlers.

The application due date

for the GPUSBC Scholarship s rapidly approaching. Applications must be received in the GPUSBC office by March 15th.

***The GPUSBC Youth Championship Tournament will be held at Mt. Hood Lanes on January 13th-14th and January 20th and 21st. There will be two squads on Saturdays and three on Sundays.***

### Did You Know?

**GPUSBC offers a \$1,500 dollar scholarship. You can find the GPUSBC Scholarship Application on our Website.**

## GPUSBC Open Championship Tournament

As in years past, the Open Championship Tournament will be held at two centers. Each is a separate tournament with their own prize funds. This year GPUSBC will be adding \$1000.00 to each tournaments prize fund.

This years tournaments will be held at:  
***Milwaukie Bowl on February 10th and 11th and Tigard Bowl February 17th and 18th.***

We have found it better suited for our association to hold this tournament in centers on both sides of the association;

East Side and West Side.

We have added a new incentive to increase participation. This year we will be raffling off a \$100.00 gift card, 1 per tournament, to the proshop of your chose. Each captain will be entered into the drawing. For each team a person/captain puts together, their name will be entered into the drawing. Captains do not have to bowl on the team to be named captain. This allows an individual to put together multiple teams.

***Paid in full entries must be received in the office one week prior to the tournament to be eligible for the drawing.***

While we have always accepted tournament entries on the day of the tournament, we request that you submit your entry at least one week prior to the tournament. This allows us the ability to inform the center of the required number of lanes each squad will be using, as well as allows us time to verify averages.

Thank you

## GPUSBC Women's Championship Tournament

The 2017-2018 GPUSBC Women's Championship Tournament is scheduled to be held at: ***Kellogg Bowl on March 24th-25th and March 31st.***

Due to Easter on April 1st we will not have any squads on Sunday the second week of the tournament.

There will be 2 squads on Saturdays and 3 squads on Sunday. We have added \$2,000 dollars to the prize fund. We are opening the tournament to bowlers outside our

association. This allows teams to include bowlers who are sanctioned through another association without the added cost of paying additional fees.

As with the Open Tournament, we will have a drawing for a \$100.00 Gift Card to the pro-shop of your chose, for team captains as an incentive to enter multiple teams.

***Paid in full entries must be received in the office one week prior to the tournament to be eligible for the drawing.***

Please mail your entries in early, this allows us the ability to assign lanes and inform the bowling center of how many bowlers we are expecting each squad. We will continue to accept entries the day of the tournament but will be forced to turn bowlers away if we exceed the number of lanes provided by the bowling center.

***I have heard there might be a few candy bars as well as a few surprises!***

### USBC ID NUMBERS

This month I would like to cover the importance of your USBC ID Number. Every USBC member has a unique ID number. This number is yours forever. You, the bowler, should always know your number and be able to put it on all the forms you complete. Now most of us, yes me too, do not have our ID number memorized. Please keep your USBC card in your wallet or bowling bag so that

when you complete your membership form for league(s) you can verify that the number is on the form and is correct. You will also have it for tournament entries, honor scores, etc. There are many bowlers who have multiple ID numbers. While I work hard every year to make sure that these duplicates are caught and combined, I do not catch them all. Your records will not be accurate if there are

multiple ID numbers for you. This could pose problems if your nominated for the hall of fame, if you bowl a tournament, or if you bowl an honor score. If I, and the national office, can't confirm which number is yours you could lose out on being in the hall of fame, earning awards, etc. PLEASE, know your number or have it kept in a handy place!

## Board of Directors Spotlight

**Director Katy Bouwens:** Katy joined the board as the Director of Youth in 2012. She manages anything and everything youth related. Katy is the Mt Hood Lanes Representative. She is the Chairperson for our Policies and Procedures Committee and holds a position on the Awards Banquet Committee. You can find Katy bowling at Mt Hood Lanes on Tuesday Nights. We thank Katy for all she has done for the association. If you see her, please express your appreciation for her dedication to our bowlers.
